## SUMMARY

---

Motivated Computer Science student with a passion for Cloud Computing and AWS services. AWS Certified Cloud Practitioner with hands-on experience in Kubernetes. Seeking to contribute to organizations by leveraging my cloud engineering skills, with AWS.

## EDUCATION AND TRAINING

---

**Bachelor of Engineering:** Computer Science And Engineering

The National Institute of Engineering | Mysore, Karnataka | Expected in November 2026

**Pre-University:** PCM+Computer Science

BASE PU College | Mysore, Karnataka | June 2022

## EXPERIENCE

---

### AWS Cloud Intern

F13 Technologies | IN | Jul 2024-Current

- Assisted in the planning and execution of a cloud migration strategy for the Indian Railways System, focusing on transitioning their on-premises infrastructure to AWS Cloud for improved scalability and reliability.
- Contributed to architecture design and migration planning, ensuring compliance with high availability and disaster recovery best practices.
- Collaborated with cross-functional teams to identify and resolve infrastructure challenges during migration.

## PROJECTS

---

### Cloud Resume Challenge *(Live on <https://resume.rohithgowthamg.cloud/>)*

- Built and deployed a serverless website using **AWS S3**, **Lambda**, **DynamoDB**, and **CloudFront**.
- Integrated a visitor counter function, leveraging Lambda and DynamoDB to track real-time count of views.
- Secured the website with **HTTPS** using **AWS Certificate Manager (ACM)**.

### Kubernetes Weight Converter App

- Deployed a weight converter app using **Kubernetes in KIND**, creating a **Docker image** of the codebase and deploying it using a **NodePort** service.

- Made the app accessible on my local machine through **port forwarding**.

### **Amazon Clone Front-End**

- Built a front-end clone of **Amazon.com** using **HTML** and **CSS**.

## **SKILLS**

---

- |   |                        |
|---|------------------------|
| • <b>Cloud Computing:</b> AWS                               | • <b>Git/GitHub</b>    |
| • <b>Programming Languages</b> [C, Python, Java, HTML, CSS] | • <b>English</b>       |
| • <b>Networking</b>   | • <b>Leadership</b>    |
| • <b>Operating Systems:</b> [Linux, Windows]                | • <b>Communication</b> |
| • <b>Kubernetes</b>   |                        |

## **CERTIFICATIONS**

---

- **AWS Certified Cloud Practitioner**
- **AWS Partner Accreditations:** Technical Accredited, IoT on AWS, Data Analytics on AWS, Cloud Economics, GenAI
- **Introduction to Python by Kaggle**
